Behind the Shades

Alarm clocks sound throughout the dorm halls as the CBU crew rolls over to a new day. It's Monday. Someone down the hall greets the morning with "Commissioned" as students drag themselves through the motions, preparing for 9:00am class. Moments later the dorm halls fill with the anxious students heading for breakfast and then to class.

When the majority of classes end in the afternoon, CBU's mob of laughter and chatter (decked in dark glasses, of course) rush to the cafeteria. Some eat there, some

study there, some engage in conversations there and, as always, some don't know what they're doing there. All in all, it's the CBU crew at work.

As the day progresses social activity passes and classwork begins. Students gather to fulfill the most important aspect of student life: learning.

In the midst of this daily routine students encounter the trials and the joys of life away from home. Now, we look behind the shades to find the essence of a CBU student life.

"My classes are interesting, and I'm really impressed with the academics at CBU this year."

-Jeff Brown
Senior

(ABOVE) Scott Pryzabyla wears his shades inside, but, hey, he's got a rep to protect!

(RIGHT) "Fab", the one-shot detergent, takes care of Robyn Jividen's socks that stand alone!

(RIGHT) After proof-reading an English paper, Lori Engle shows Jo Kadlecik exactly what she thinks about constructive criticism!

(LEFT) Before Voice and Diction class Rob Ball "catches some Z's".

(BELOW) "So what's the plans for tonight?" Brian Wood asks D. Jones.

(Above) Taking a break from studying, Tony Laffoon gives us a few pointers.

(LEFT) Bertha Villalobos gets more than one curious stare as she talks with her mother -- in Spanish!

Off-The-Wall

When students just can't seem to concentrate on studies, they put up the books, the pens and pencils, the calculators, the biology specimens, rip out those off-the-wall- glasses and exclaim, "We deserve a break today!" Students relieve themselves with a little craze, adding some variety to their dorms rooms, parking lots and even on the playing field. Students engage in

peculiar activities when that off-the-wall mood strikes. The most popular are the occasional latenight ice-cream runs, laughing hysterically for no apparent reason, playing whiffle ball in the hallways and running wildly up and down the stairs just for mere amusement. College life can sometimes be stressful and displaying a little insanity always makes life lighter.

"The presidential debate (Dukakis vs. Bush) was on, and it was too good to miss, so I figured instead of skipping class I'd bring my T.V. with me!"

- John Ciriacks
Sophomore

(ABOVE) While on a road trip with the soccer team, Becky Belt proves the fact that she is full of hot air!

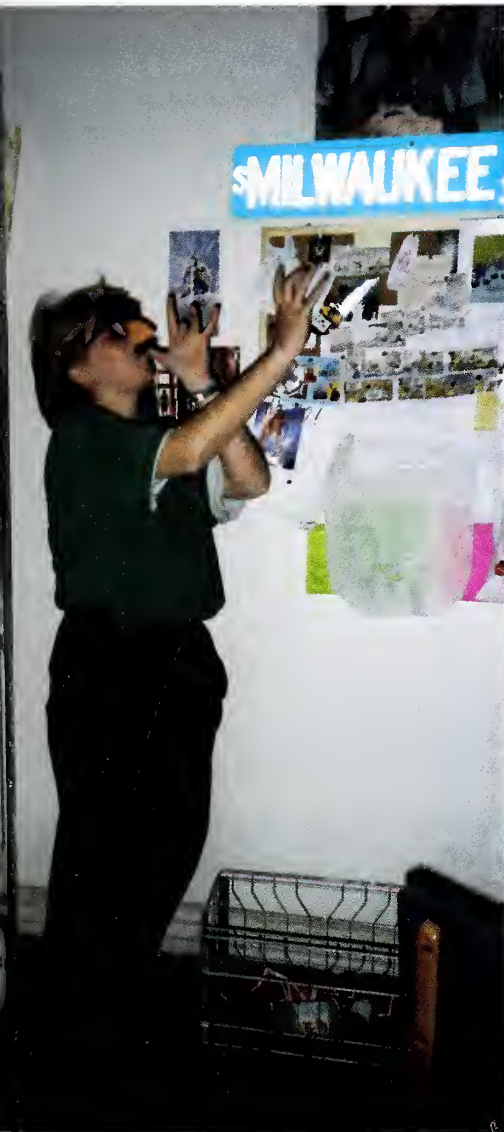

(RIGHT) "Where's the beef?" Jeff Brown is in search of his muscles.

(RIGHT) During a Bar-B-Que on University Day a flock of Eagles strut their stuff!

(LEFT) After spending a week with her parents, Carol Zack returns to dorm life.

(BELOW) On the sidelines Kevin Jackson, Sean Cramer and Henry Emenyonu take time out to "show-off" for the camera during a game against Southwestern college.

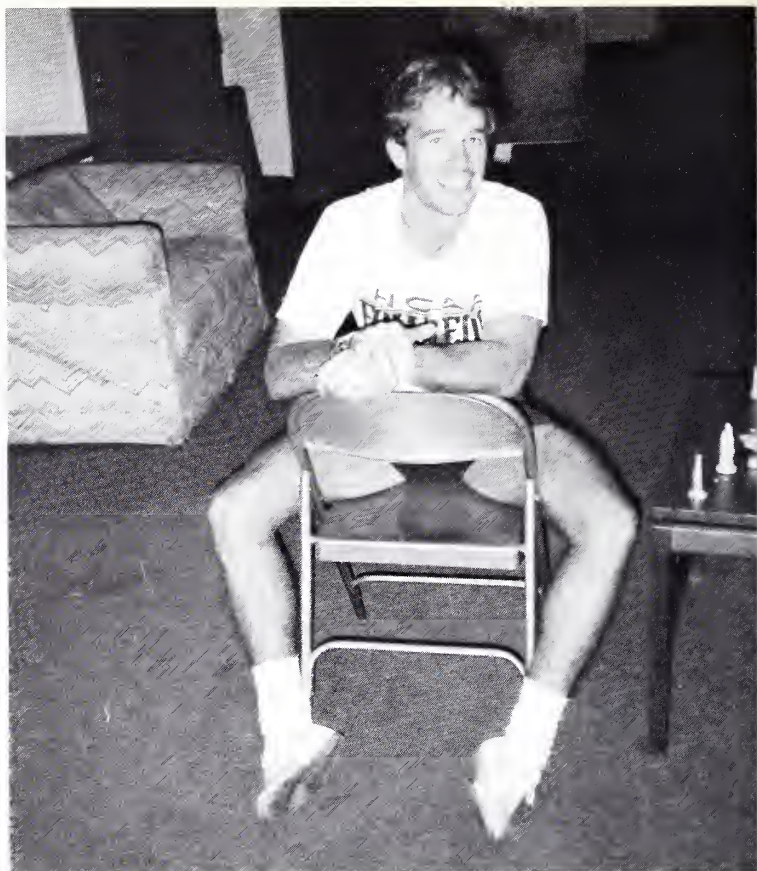

(BELOW) Kenny Spears and Demetrius Jones salute their King Safari Derrick Vaughn.

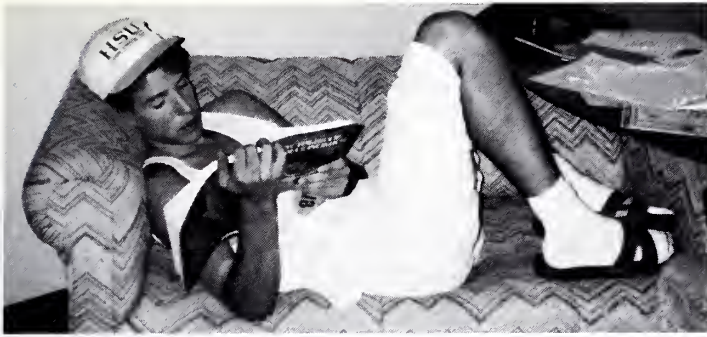

(ABOVE) Chef Boyardee and Betty Crocker (a.k.a. Cindy Cooke and Tami Thorn) prepare to cook up a delectable speech.

(RIGHT) After a strenuous basketball practice, Jeff Wilson catches his breath in the Porter Lounge.

(BELOW) In the midst of "Family Ties" we interrupt Sue Stuhmer and Lisa Mack for a comercial break.

(RIGHT) This motley crew shows us that a college cafeteria is obviously much more than a place to eat! As Sandy Daniels dumps the remainder of her Coke on an unsuspecting Paul Splitter, Tim Michael decides his cookies make better dumbbells than dessert. Doug Leek, Ben Day and Michael Platt watch as Greg Worthington tells us to just "Get Up!"

(LEFT) Marc Miller shows us a side of himself that we rarely see as he studies for his first major test in Economics II.

(BELOW) On a sunny day Richell Bennett, Lori Engle, Patty Hoffman, and Kara Winslett walk to chapel to see The Kingdom Teller's first performance.

LIGHTS, CAMERA, ACTION!

CBU Students Are In the Spotlight

Attention must be paid to CBU and its students who often find themselves in the limelight. Not only are articles booming in the Rocky Mountain News and the Denver Post about our merge and our exciting new future, but on the campus our students stand center stage.

As a small Christian school on a large secular campus, we exemplify conviction, humility and promise; we challenge secular students in a very subtle and non-threatening manner. We often find ourselves the object of many conversations amongst DU students. Some resent, some respect, and some don't understand

who we stand for, but we're just a content group of college-goers living for the Lord!

CBU has also chosen to be a very competitive school, in that we do not settle for inactivity. We take part in informing our students with the "News&Views", we have a growing yearbook staff, an eager Student Government Association, a spirited student body, a flexible administration and certainly a sensational group of athletes. CBU is truly a University prepared to face challenges and overcome them.

(RIGHT) Aaron Rounds is dumb-founded as Scott Przybyla ducks behind him from the camera.

(BELOW) Chrissy Bauer and Sherri Norwood stay up late to chat in the dorms.

(BELOW) "Girls just want to have fun", and Carla Thomas, Sandy Daniels, Lisa Turner, and JoAnn Meinertz are no exception.

(ABOVE) The women's soccer team use their road trips as an opportunity to get closer - maybe they should have bought at least one more bed!

(ABOVE) There's always time to "ham it up" Marc Miller, Joel Ligget, and Mike Platt reason as they take a study break to give us a smile.

(LEFT) Ben Day doesn't look too worried that Paul Splitter has turned on him - with a butter knife!

(BELOW) Outside of Porter Hall Laura Lockhart and Keek Schiavone spend some quality roommate time together.

Friends: THOSE COLORFUL COMPANIONS

"I like a small school because of the family atmosphere - you can get to know everyone on campus."

-Barb Beaman
Freshman

We must remember that with college comes friends. Since, as humans, we crave socially oriented lives, we arrive on campus in search of acquaintances. These acquaintances, in time become friends and these friends become our college partners in encouragement. Together we study frantically for mid-terms, share the sorrows and ecstasies of relationships,

supply Christian fellowship and support one another in our many endeavors. Of course, the duties continue varying from one friendship to the next. It is fabulous knowing that, as Michael W. Smith says, "friends are friends for ever if the Lord's a lord of them," and it certainly makes searching for those colorful companions even more appealing.

(BELOW) During a men's soccer game Troy Handy, Percy Casper, and Jamie Wood catch some rays.

(RIGHT) Before heading out of the parking lot Kim Elliot, Shonn McLinn, and Kara Winslett pose for the camera.

(ABOVE) After a long day of classes Sherri Norwood and Keek Schiavone take some time to just veg out!

(RIGHT) Tasha Vigil makes an attempt to keep warm at soccer practice on a chilly Autumn day.

(ABOVE) Sporting his slick shades and his "gold", Al Oviasogie is just too cool!

EXPRESSIONS

Sometimes the day begins beautifully. The sun floats over the eastern trees and addresses the world with a warm "hello". Then, the weather changes and the clouds creep in and cover the sky; a dreary rain follows. Sometimes after the

after the rain, the sun reappears in all its hope and radiance and touches the tips of the mountain peaks as it descends.

We are also like the day: expressive. Sometimes we cannot help but smile, especially when we see others smiling or laughing. Sometimes we're creative or spontaneous or even over-active. Other times we feel like procrastinating: staring at the ceiling, as we lie in our beds, thinking. There is some sanctity in being alone and pensive. Sometimes we feel like acting a little crazy and other times we feel like screaming! In all, we're just an expressive kind of people.

(LEFT) While going through the line Tim Michael expresses his feelings towards cafeteria food.

(BELOW) Because Barb Beaman is such a servant she agrees to bring forgotten volleyball uniforms to Cara Berndt and JoDell Wilson in Colorado Springs so they can play against UCCS.

(ABOVE) Venae Sears shows off the "Cover Girl" look in a voluptuous pose at the top of the stairwell in Porter Hall.

(ABOVE) With John Ciriacks on her tail and no where else to turn, Wendy Robinson hides out in Keek and Laura's room.

THAT NATURAL LOOK

Looks can be deceiving they say, where deception is simply not truth. At CBU, our look isn't deceptive, but instead, genuinely natural: purely real, in that it is provoked by Truth and at CBU, our desire is to search for that which is real. In these candid

shots students are just being natural..

CBU students have character, attitudes of gratitude and apt actions and they possess that ingenuous look: that simple look: that NATURAL LOOK that all of humanity inherently craves.

(ABOVE) During dinner Suzanne Beall knocks some sense into John Ciriacks with a Bible.

(LEFT) Rushing for the women's soccer game proved to be disastrous, for, much to Coach Jo Kadlecsek's horror, Tami Thorn put her brazzere on the outside of her sweatshirt!

(BELOW) Hard at work? Hardly! Instead of studying, Sean Allison writes out a card to a friend.

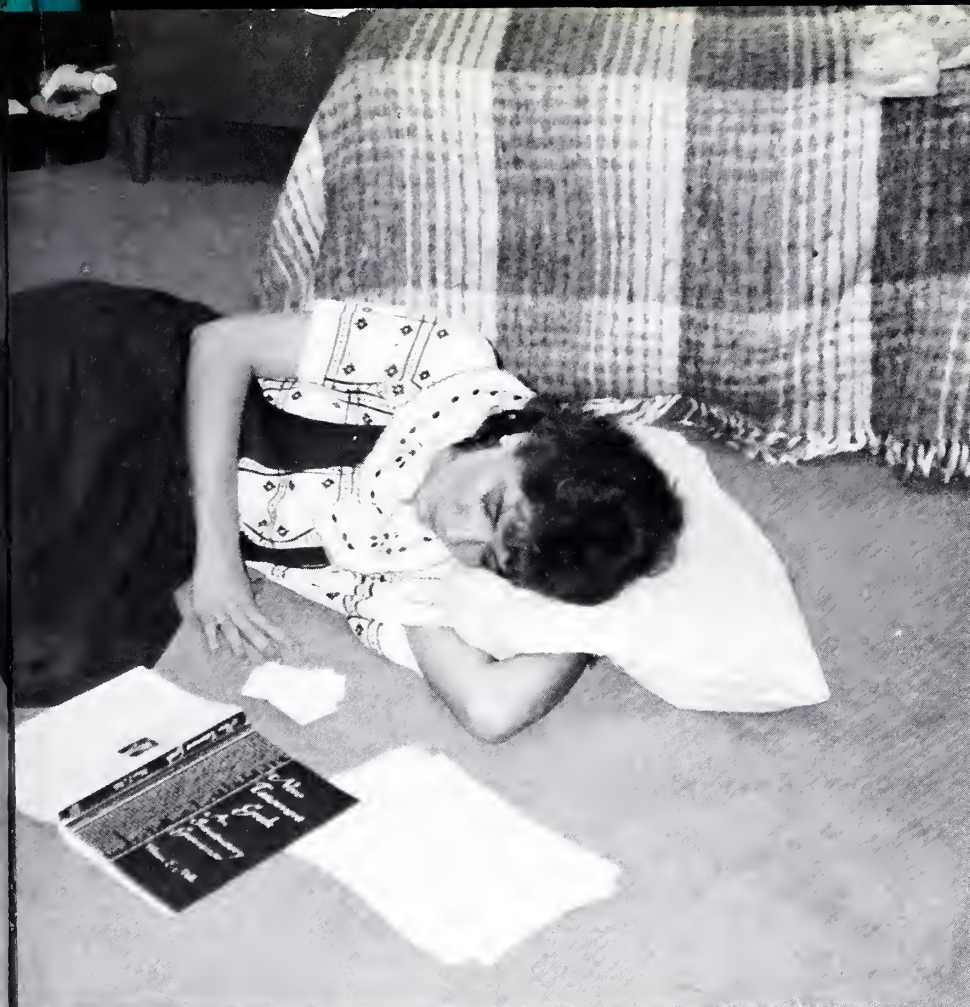

MIND BOGGLING ENIGMATIC BRAINY GAMES

Undeniably, the purpose of higher education is to learn and, of course, learning requires studying. Likewise, it's not unusual to find students all over the campus studying. Students from the same classes conglomerate to mull over grooling notes and play that infamous game of guessing: "What's on the professor's exam?" Students get that look of bewilderment on their faces as they stare blanky at their homework hoping that miraculously the answers will appear in their heads and ambush their growing

confusion. Unfortunately, it's seldom that this ever happens and so students are left mind boggled. In their adversity, they press on in strength and endurance. They teach and encourage one another even as they cram in the early morning hours. Students, accompanied with an hour or so of sleep, sluggishly head for class. They review the material they studied all morning long, blindly, and only hope that they will pass the impossible test. Studying sometimes just gets "out of hand."

(LEFT) Laura Lockhart demonstrates "time out from Greek".

(BELOW) "A test over what?" Kelvin Smith questions.

(LEFT) After an all night "cram session" Kay Schubert is looking radiant.

(ABOVE) John Ciriacks demonstrates his brilliant computer know-how.

FUTURE GET-TOGETHERS

WHY IS OUR FUTURE SO BRIGHT WE'VE GOTTA WEAR SHADES? Well, not only will we begin a new semester next year, but we will also attend a new university: Colorado Christian University. Naturally, there will be several compromises that will take place; the joining of two similar but very different schools requires compromise. The purposes for the merge vary and so do the responses from both the administration and the students. but through it all, we anticipate one great get-together.

Now that negotiations have been finalized about the merge with Colorado Baptist University and Colorado Christian College, there remains minor details that must be decided upon. These details consist of the mascot and colors, returning teachers, scholarships and grants, tuition, student rules and regulations, etc. Our ultimate location will be on a newly built campus in Morrison, CO. This is just the beginning of a bright idea.

The purposes for the merge vary, but there are two major reasons. First, both CBU and CCC felt

it unnecessary for two Christian colleges to compete for the same students. Also, CBU wanted independence from Southwest Baptist University and SBU was ready to relinquish its responsibilities.

The responses of the staff and students vary. Some aren't looking forward to the change. Other students are excited about the merge and anxiously await their promising future in the '89 fall semester.

(BELOW) "I'm excited about the merge! CCC has a great drama program," Barb Henson responds.

(ABOVE) "I wish CBU could have remained a separate school, but I think it's for the best that we merge," Kay Shubert remarks about the merge.

(ABOVE) Students listen intently to Dr. Wall and Mrs. Rush as they are informed about the details on the merge.

The Forum

Left: The Panelists and their Business Wise Republican questioners John Ciriacks, Dan Genovese, Joel Legget and Lance Vaughn.

Julie Bitters displays team togetherness . . .

One coach didn't show up, the other was promoted and had to leave before the last game, making this a . . .

Season of adjustments

The 1988 - 1989 Lady Eagles had a difficult year both on and off the court, however, they were much more competitive than the Eagle team that played an exhibition season in 1987 - 1988.

It all started when the person who was supposed to coach the Eagles this year changed her mind abruptly and didn't show up. The official story was that she had decided to get married.

This development severely disappointed some of the players: One player who was a hot scorer for the Eagles left CBU at the end of the Fall Semester in part due to the development mentioned above.

The Eagles gained a new coach in Carole Beene. Carole worked hard to get the Eagles in shape, but a team with individual talent failed to gel into a unit as she had hoped.

Part of the problem was the inexperience of the players with each other. Many of the Lady Eagles had never met before this season.

By the end of the season, however things started to improve: The Lady Eagles proved to be a good defensive ballclub, the problem was in the offense: In spite of high scoring by players like Karen Hunt and others, the Eagles frequently botched passes and were usually overwhelmed on the offensive side of the court.

On the bright side, the Eagles won far more this year than in the exhibition season in 1987 - 1988 slow improvement is better than no improvement.

On the lighter side of things, Coach Carole Beene was also Head Resident:

This dual role provided for some interesting situations as her players found opportunity to play a few little jokes on their Coach / Head Resident.

One of the best things about the Lady Eagles was that they proved to be some of the most vociferous fans for their male counterparts: Game after game, the Lady Eagles would cheer the men on to victory. The Men almost always returned the favor and close friendships developed.

Also on the positive side, Assistant Coach Jeff Wilson gained valuable experience filling in at times for Carole Beene during practices and ultimately as acting Coach when Carole accepted a promotion in Texas.

In all, the Lady Eagles first official season proved to be a learning

experience. Hopfully next year's combined team of returning CBU players and those from CCC will mesh into a highly competitive team. One thing is certain, a coach will be firmly in place when the season begins.○

"Being on a new campus and getting a new gym (at CCU) will be a major boost to our program.

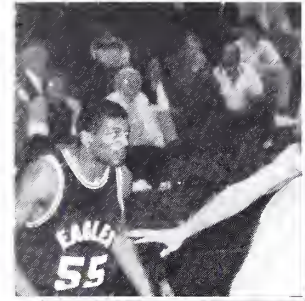

We have a good nucleus of players returning for next year."

- Coach Frank Evans

Aaron Rounds looks for the pass to take to the inside during a quadruple overtime game against Denver University . . .

CBU's most competitive sports team provided Eagle maniacs with the incentive to say . . .

WHAT a season: 20 - 12!

According to Coach Frank Evans, 1988-1989 was a year of ups and downs: Of big wins and big losses:

Who can forget defeating Regis College with twelve seconds left after being down by 12?

On the other hand, who wants to remember that quadruple overtime loss to Denver University or that final second loss to Chadron State?

For many Eagle fans, CBU's 20 and 12 season was a jammin' success. Long time Colorado residents connected with CBU can reflect with pride on defeated area teams with long established programs.

The Eagles were a menace to Regis College. Defeating Regis twice in one season is never easy, but in the second CBU - Regis game, the Eagles won in a laugher.

Who will forget the cries of "Wild Thing!" or "Who wants it White!?" That echoed repeatedly contest after contest?

The season wasn't all slams and jams, however: Practicing on different floors than actual games were played on proved to be a major disadvantage to the Eagles. Injuries also dogged the Eagles and especially star guard "Dee" Demetrius Jones, who first suffered a knee injury, then a back injury that sidelined him for the remainder of the season.

The absence of Jones took something out of the Eagles, too. Coach Evans had this to say about the last month of the season:

"Our team didn't improve in the last month we played." He said.

The Eagles went flat on a key road trip, losing to key colleges like Western State, Mesa State, and Colorado Mines.

The ups outweighed the downs, however as CBU's Eagles treated fans to behind the back passes by Percy Casper, the outside shooting of Scott Przbyla and Kelvin "Smitty" Smitt, and the dunks and inside games of Carlton "Fudge" Browne and Aaron Rounds.

Countless other contributors such as Troy Handy, Jeff Brown, Kenny Spears and others made it quite a season. Next year's Eagles at CCU should provide the greater number of Eagle Maniacs with something to scream about.○

Left to Right, Back Row: Kelvin Smit, Jamie Wood, Melvin Marshal, Kenny Spears, Next Year Player Dan Gallagher. Front: Jeff Brown, Percy Casper, Demetrius Jones, Scott Pryzbyla and Troy Handy.

Assistant Coach Roger Whitmore looks on as the Lady Soccer Eagles harass another hapless opponent.

Lady Eagles KICK in their first ever season of NAIA competition . . .

We were almost there . . .

CBU's most photogenic athletic team was also highly competitive, finishing one game above .500 in a season that could have been much better than the final results.

The Lady Soccer Eagles have talent. So much so that Coach Jo Kadlecsek had this prediction to make for next year at CCU: "There is no doubt in my mind that we will do well in the NAIA playoffs."

The Eagles have a nucleus of 13 returning players as well as an additional number coming in from recruiting efforts and at least one player from CCC.

The Lady Eagles defeated teams from established teams such as a developing rival, the Air Force Academy Falcons.

The contests were filled with high excitement: Remember the thrilling home game against CSU where the ladies came from behind to win 2-1 in overtime? Tashia Vigil added another of her 16 season goals in that contest.

Rest assured that the Lady Eagles will always remember the Colorado State University Tournament where CBU took home the first place trophy. It was to be CBU's first and last first place trophy due to the merger.

This

July,

some of these Lady Eagles have a tour trip called Mission Europe for three weeks in June. On that trip, the players involved will learn things that should bring added unity to next year's squad.

Pray for the Lady Eagles as they learn of Christ both for themselves and then hopefully for others. It is hoped that Europeans will meet Christ through this event. The Eagles are still raising their support as of this writing. Contact Jo Kadlecsek for details. O

Coach Kadlecsek's biggest concern: "Where's the water bottle?"

**"Coming in (to CCU) we can look forward to an equally (if not more successful) season that I hope will be glorifying to God."
- Coach Jo Kadlecsek**

Freshman Thai Ridgeway Shoots a free kick to advance the Eagles to a 2 - 0 win over Colorado College.

At times, things were tough in their first season of play, but with a talented nucleus . . .

The foundation has been laid . . .

Coach Harry Temner has a talented group of players to work with for next year's CCU team. They need to learn to play together as a team, however, as their 2 - 15 record of this year indicates.

One of the men put it this way: "There are some guys here who are really good, but all of us need to learn to get the ball to other people instead of trying to be individuals."

The CBU Varsity Men's Soccer Team this year was one of the youngest teams in the state: All but two players were freshmen. As a result, veteran squads like Denver University showed no mercy in using their vastly superior experience to bludgeon the Eagles.

The Clarion, D.U.'s student newspaper put it this way: "Pioneers paddlywhack Colorado Baptist." Enjoy it while it lasts D.U: Next year it won't be quite that simple.

The Eagles will have to improve

their defensive play next year: Scores like 10 - 0 and 12 - 0 (D.U.) demonstrate an intimidation factor that will have to be overcome: CCU will have to learn to believe that they can win.

At the end of the season, there started to be some glimmerings of hope: Defeating UC-CS was a welcome relief from a 15 game losing streak. Other games were close, but CBU just couldn't quite get over the hump.

A solid foundation has been established that should provide a team that will peak in a couple of years as this year's underclassmen advance. Upperclassman Jon Sorenson, although participating in his first year of intercollegiate play should provide needed leadership. Fellow team captain Kevin Skeens should also continue to be an asset.○

The 1988 - 1989 Women's Volleyball Team

Big photograph: "Shonne" McLin and Michael Mellot go up for the block during a CBU - CCC match.

Coach Woody Northcutt continues to build an excellent Women's Volleyball program based on the building of Christian character both on and off the court . . .

With only a few more additions to the Volleyball Eagles, CCU's team will prove to be a hazard to their NAIA opponents . . .

**"Through recruiting and working the girls we already have had, we should significantly strengthen our team for next year."
- Coach Woody Northcutt**

Bits 'n Pieces

The Lady Volleyball Eagles gained valuable experience this year in matches against the top rated teams in the state and some excellent teams outside of it.

The Eagle's seemingly poor record of 5 - 27 belies how competitive most of these contests were: For example, a match against a fine Otero Junior College team went the five game distance and wasn't de-

sions policy proved to be effective as an evangelistic outreach. Coach Woody Northcutt tried to instill Christian character and values in his players all season. Woody was always warm and enthusiastic and was popular with his players off the court as well as on it.

The key to this year's team was heart: The Eagles had it in abundance and they hated to lose: Four and five game matches were common and provided fans with enjoyment in spite of the end results.

The Eagles are going to try to strengthen their front line on offense through more repetitions in practice and by seeking incoming players with strength and height: If Coach Northcutt can get his team to have crisp bumping and effective blocking, placing and spiking, next year's Eagles will have a winning record, in the very least.

One effective thing that Woody Northcutt and News and Views instituted that should be continued into next season was the Eagle Players of the Week. Some of the players who received such publicity were Kay Schubert, Julie Bitters, Robyn Jividen, and Carolyn Brown. Others would have received this award if the Views had come out weekly instead of Bi-monthly. Maybe next year:

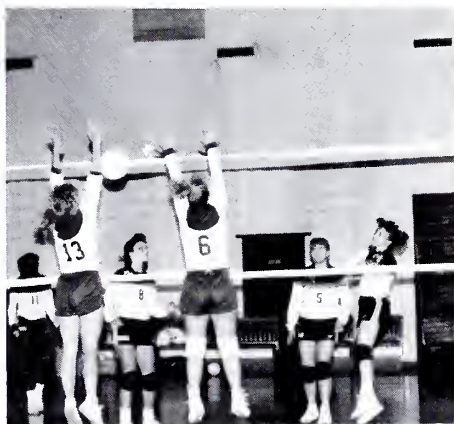

Perhaps next year or in following years, CCU can donate gifts to charities for achieving such distinction during the season or award scholarship monies making such awards a motivational tool.

At any rate big things are in store for CCU athletics through the Lady Eagles or whatever they will be called.○

cided until the last game of the match against CBU: 9 - 15.

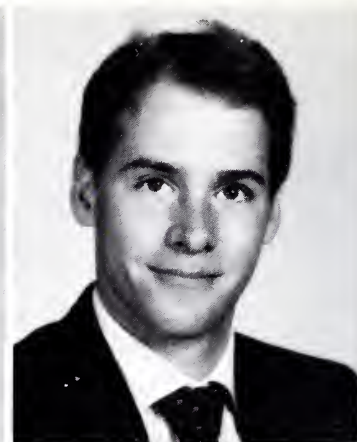

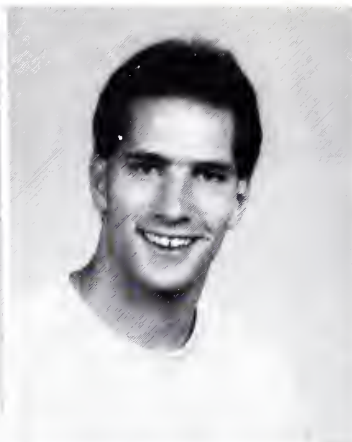

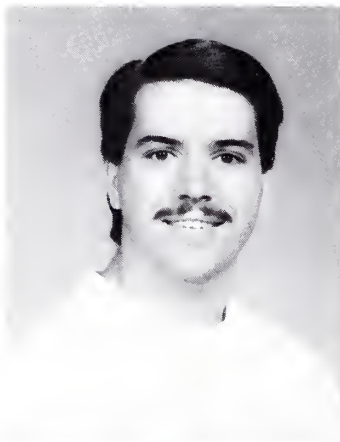

The Eagles were nearly a "great" defensive team. The problem was in their front line on offense and in their relative youthfulness: As on the men's soccer team, the squad consisted of a freshmen majority. A few bits here and a few pieces there and CCU will have a top notch women's volleyball team.

The team experienced inner growth as the season progressed. Some team members became Christians as CBU's Open Admis-

Homecoming Court: Left to Right: Amy Cearley, Jeff Brown, Karen Hunt, Demetrius Jones, Kay Schubert, Greg Worthington, Sherri Norwood, Ben Day.

The 1988 -1989 Homecoming Court

Fringe Benefits

Pennies From Heaven . . .

We can all think of a time when we were overwhelmed by questions such as "am I eligible for this scholarship?" "How do I fill out this form?" and most importantly: "How can I pay for this?"

During these times of confusion it always comes to the same answer - Sharon! Sharon Waldenstrom has been a tremendous help to each one of us as we enter into or continue on in our pursuit of a University education. She has exemplified assertiveness, dedication, preparation and most of all, a loving Christian character.

Sharon, you have gone out of your way, above and beyond the call of duty. You have helped us reach that which the Lord would have us to do: Glorify Him through expanding our abilities that He has given to each one of us.

A former student of Colorado Baptist College herself, Sharon had a genuine love for Colorado Baptist University and was vitally concerned with the students' welfare both involving Admissions and Financial Aid or just with questions of life.

As we travel down the paths that the Lord has set before us or realistically, that some of us have set before ourselves (because not all of us have learned how to allow Him to set such paths), let us not forget those that have helped us along the way. God Bless you Sharon and thanks again so much for all of your help. May God bless you and your family in your travels and with the needs that you all had but that you specifically never allowed to reduce the quality of your work. Our prayers are always with you and you will not be forgotten.

The Quality of Caring

"You have gone out of your way, above and beyond the call of duty. You have helped us reach that which the Lord would have us do."

Thank You So Much!

Above: Cindy Cooke Reviews the Student and Faculty Section.

Christian Cate Checks typeset and looks to make captions.

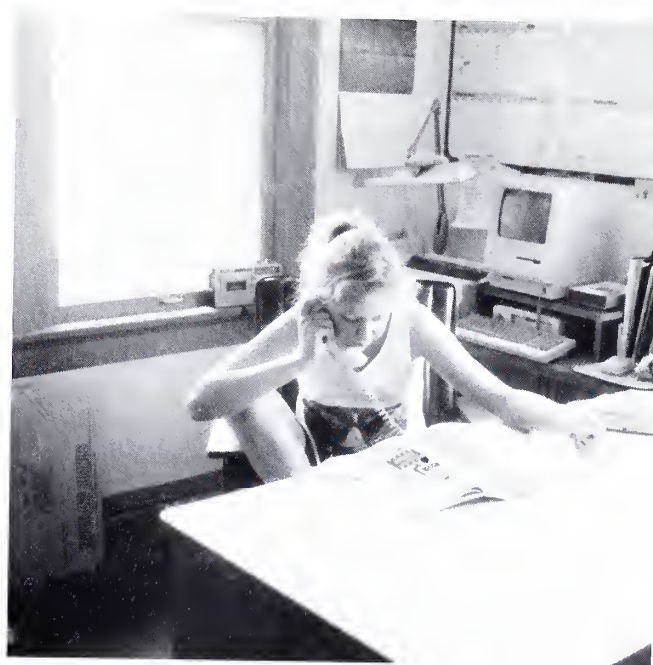

Tami Thorn decides who's who with the Bezoomney Awards.

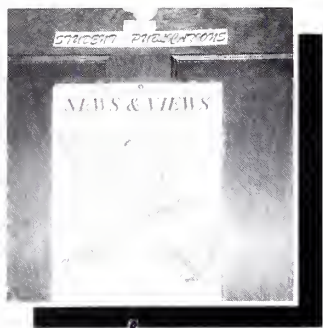

Wings of Promise

Mr. Halbert Calculates pica measurements for printing purposes

Uh . . . Can you develop some pictures for us in five minutes?

The Student Publications office was always humming with activity.

An opportunity grabbed, a student body on the move, and the biggest story in CBU history made this year . . .

A News & Views Extra . . .

Ah, 1988 - 1989! The Year of the Merger. A journalist's dream: News, news and more news! News and Views was there through it all, bringing CBU students the facts on the printed page.

Quelling wild rumors by cold, hard facts was a staple of the Views this year, and it wasn't always easy: Sometimes we desired certain rumors to be true: The Loretto Heights lease deal that fell through, for example.

We travelled a long distance from that first issue in September: Remember how we started out? The first issue was six pages long with all new sections that would become a standard feature for the Views for the rest of CBU's final year of existence.

Remember that infamous second issue? I will never forget it: "Men's basketball team practices at five in the mornings." Oops. The early going was indeed rough: A one man newspaper just doesn't cut it.

Fortunately, things improved with the third issue. After a few pointed pointers from the View's advisor, Mr. Brock, we caught our second wind. Mr. Brock was generous in allowing the usage of his personal issues of Clipper, a graphics magazine distributed by a Company called Dynamic Graphics.

The Views was certainly dynamic this year: Dynamic means changing and in the third issue, a new force on campus made it's presence felt: Business Wise Republicans Underground. Dan Genovese, the group's President, suggested that we spice up the name of the Views to Colorado Baptist's Conservative News and Views. This was done, giving the Views a clear editorial slant.

Who could forget the columns in the Views? Remember Dear Trixie? Jo Kadlecck's Think on These Things proved to be a challenge and an encouragement to many and Straight Shootin' provided the paper with it's first dose of controversy: Dan Genovese and Joel Legget showed no mercy to the Democrats and Michael Dukakis. Some of

our readers showed them no mercy as well, but hey! That's what made the Views fun.

The Views ended up with quite a large staff: Former Editor "Keek" Schiavone returned to act as a staffwriter and as Editorial Page Editor, Kevin Skeens was appointed to the Co-Editorship, Dan Genovese, who left at the end of the Fall Semester was replaced by Joel Legget. Trixie who became too busy to continue, was replaced by John Ciriacks and his Free

Thinker column, and Jo Kadlecck kept plugging away.

The most important thing about the Views was that it was an invaluable learning experience: Learning how to desktop publish and how to handle a serious responsibility were priceless additions to a college education.

Next year, CCU's newspaper will be in the capable hands of CBU's Kevin Skeens and CCC's Editor Deidra Fuller. It was a privilege to work on the Views this year.

Forum Notes

By Chas. C. C.

The "Forum" sponsored by the Colorado Baptist College of Christian Ministry is a unique and valuable resource for the Christian community. It provides a platform for the expression of diverse viewpoints on a wide range of issues, from theology to social justice. The forum is a testament to the power of dialogue and the importance of listening to one another.
